

## Soham Pumpkin Fair in association with Soham Rocks

**Look out for special  
Pumpkin Fair Rocks  
like this one:**

The original 5 hidden  
around Soham will have clues that you can  
find on our website/facebook pages.

When you have found one, post it on the  
Soham Rocks Facebook page and the  
Pumpkin Fair page, then take it to Jak Hibs  
and she will give you a special sticker and a  
flyer with information about the fair.

We would then like you to paint another  
pumpkin rock and then hide them both  
(either in Soham or another local village).

***Let's see how many pumpkin rocks we can  
make before September!***
